## Debbi Gillett dual winner in art competition

Talented Allingham artist Debbi Gillett (right) was a dual winner at the Hinchinbrook Acquisitive Art Competition. She is pictured with judge Ray Harrison, from the Department of Art and Design at James Cook University, and her two winning entries - the Raku clay pottery 'Treasures Bowl' and pastel work 'The Boys from the Bush'. See page 5 for full results and photograph taken at the gala opening of the exhibition, held at the Hinchinbrook Shire Hall on Monday night.
